A Message from Miss Olver

What a change in the weather this week! It has been so nice to see everyone outside enjoying the sunshine and blue skies. Inside school, there has been a lovely atmosphere of happy learners. Our new Discoverers have settled in really well, Adventurers have been getting stuck into their rainbow challenges, Explorers have been going back in time to the Stone Age and Voyagers have been delving deep into space! On top of this, Mr Fooks and Mr Murray have been in teaching PE and Mrs Whitehouse returned to teach the drums to Voyagers.

Welcome to Our New Discoverers

A very warm welcome to our new children in Discoverers Class. What a fantastic first week they have had! Everyone has got stuck into their learning, quickly finding their way around the classroom and making lots of friends. Mrs Perkins has been very impressed with their positivity and great tidying skills.

A big well done and thank you to Year 6 for being such kind and caring buddies. They have been looking after them at breaktimes and helping them with their lunches.

A Few Reminders to Keep Us All Safe

Parking—Please can you make sure you are parking responsibly at drop off and pick up times. There have been a number of incidents recently where vehicles have been parked inconsiderately on the local roads making it difficult for other vehicles to pass through. In particular, we need to make sure that emergency services are able to drive through the village if needed.

Dogs—Please ensure that dogs are not brought onto the school site. We have some families who are scared of dogs and need to make sure that everyone is kept safe at all times.

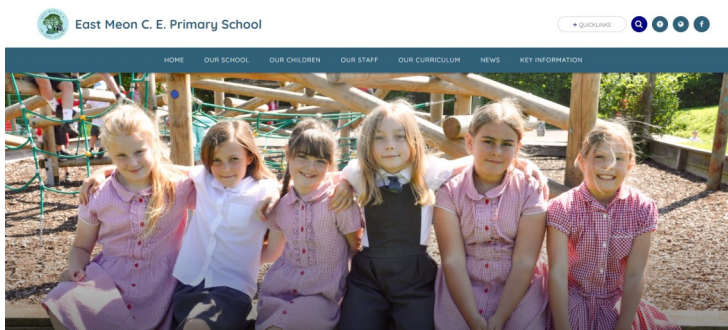

School Bikes and Scooters—At the end of the day, please can you make sure that your children are not using the school bikes and scooters. These are for use by the pupils during the school day or during breakfast/after-school club when they are supervised by school staff.

Thank you for your support with these areas.

New Website

We are very excited to announce that our new school website has finally gone live! There are still a few areas to be developed, so please bear with us. However, we hope you will find it much easier to navigate and the information provided useful.

Our website address is: www.eastmeon.hants.sch.uk

FEMS—Asda Cashpot for Schools

Asda have introduced a new fundraising campaign called 'Cashpot for Schools'. FEMS are now using this as part of their fundraising for school. More information will be coming soon from FEMS.

Buttons

Mrs Smith is collecting buttons to use for some of her ELSA activities at school. If you have any spare buttons at home you no longer need, please could you send them in for her. Many thanks.
