

10th May 2024

A Message from Miss Olver

What amazing weather we have had this week! It has been so lovely to see the sun shining and the children outside enjoying our beautiful grounds.

All the classes have been working on their cricket skills during PE with Mr Fooks and Mr Murray on Wednesdays. Explorers have been outside practising their dancing ready for the May Fair and Voyagers have been enjoying rounders outside in the afternoons after busy mornings revising for SATs. Adventurers did a hunt in the grounds yesterday as part of their history topic work and Discoverers have been planting in the tyres.

Dates for your diary:

Monday 13th—Thursday 16th May—Year 6 SATS

Saturday 18th May—East Meon May Fair

Mon 27th—Fri 31st May—Half Term

Mon 1st—Fri 5th July—Year 5/6 Residential

Wednesday 10th July—Sports Day

Friday 19th July—Last Day

INSET Days:

Monday 22nd July, Tuesday 23rd July

SATS

Next week is SATs week in school. The Year 6 children will be sitting SATs tests each day from Monday—Thursday. They have been working really hard in the lead up to this and should feel confident and ready to go.

Year 6 children are invited to come in at 8.15am to have a breakfast at school together each morning so they are fuelled ready for their tests!

Good luck to all our amazing Year 6 children!

May Fair

Don't forget that the May Fair is taking place at the village hall next Saturday (18th May). Explorers have been working hard learning how to dance around the May pole. It would be great if lots of them could come and dance at the fair. Please can you return your slip to let us know if your child will be able to attend (Explorers only).

Walk to School Week

2024

Your school is supporting
'WALK TO SCHOOL WEEK'
Monday 20 May – Friday 24 May

How can I help?

- Walk with your child and discuss potential hazards such as driveways, junctions, parked cars and bends
- Work out together the safest route even if this involves a slightly longer journey
- Let your child suggest places to cross and discuss their choice
- Practice the green cross code on your way to and from school - reminding them to stop, look, listen and think

I don't have time to walk!

- Park the car some way from the school gates and walk the last part of the journey
- Try to find time to walk with them once during the week
- Your child will qualify for a certificate if either option is taken

What are the advantages of walking?

- The chance to teach important road safety skills which cannot be taught in a car
- The chance to learn about the local environment
- A chance for a chat about the day
- Less congestion at the school gate
- A healthier way to start the day

designed by Charlotte Aston from St Luke's Primary School

Walk to School Week

We will be supporting Walk to School Week the week beginning Monday 20th May.

This event is taking place across Hampshire and it would be fantastic if you could help your child be a part of this.

We will be talking about walking to school and keeping safe on the road in classes and during our collective worship.

Milk Bottles

The village May Fair is fast approaching and this always begins with the boat race. We will be making boats in school in preparation for this event and need 2 pint milk bottles for this. If you have any at home, please can you wash them out and bring them in with their lids for us to use in school. Thank you.

Lost Property

There is a lot of lost property in school at the moment. Mr Grier has been putting it out each day at the front of the school—please take a look to see if any of the items belong to your children.

One parent has asked me to put out a request—her child has lost a Nike Jordan black and grey jumper. If you find it, please could you drop it to the school office so we can pass it on.

Thank you.
