A Message from Miss Olver

This week our school focus has been about transition. We know how important this is in building confidence ready for the changes coming in September.

On Monday evening, Barnados ran a 'Ready, Steady, School' event for new Year R parents and on Wednesday the children came for a 'stay and play' session. On Tuesday afternoon, we did a whole school mini move up session so the children could meet their new teachers, peers and explore the new classrooms. On Wednesday, Year 6 visited TPS for a fun sports day. We have lots more fun transition events planned in over coming weeks.

Key Stage 2 Football at West Meon

On Friday 6th June, eighteen children from Explorers and Voyagers attended a football competition at West Meon Recreation Ground. We are so proud that so many children wanted to take part—showing how our interest and participation in sports is constantly growing. The teams worked really hard together and demonstrated great teamwork, communication and resilience. Thank you to Aspire for organising the event and to all the parents who helped with transport and came along to support us.

Key Stage 2 Dodgeball at Perins

On Tuesday 10th June, seven children from Explorers Class took part in a Quidditch Festival at Perins School. What a fun event this was—we learnt how to play in the different positions and used 'quaffles', 'bludgers' and 'snitches' just like Harry Potter! The team worked brilliantly together and won all their games! Thank you to all the parents who helped with transport and supported our team.

Year 6 Sports Day at TPS

On Wednesday 11th June, all of our Year 6 children went to The Petersfield School to take part in a transition sports day. The children completed a carousel of sports activities in the morning with Year 6 children from other local schools and then participated in a mini dodgeball tournament in the afternoon.

Thank you to Ms Bloor for supervising the children and to all the parents who helped with transport.

Discoverers and Adventurers Trip to West Wittering

On Thursday 12th June, Discoverers Class and Adventurers Class went on a fun beach trip to West Wittering. They had a talk from the lifeguard about beach safety, built sandcastles, explored the beach area and learnt about the natural and physical geographical features of the beach. Despite the rain, they seemed to have a great time!

Thank you to Mrs Perkins and Mrs Flood for organising the trip and to Miss Riley, Ms Bloor, Mrs Sims, Mrs Hext-Harvey, Ms Griffiths, Mia and Corinne for helping with supervising.

FEMS Update

FEMS have been busy calculating the profits from their recent events. At the May Fair, they raised £832.15 and at the Boat Race, they raised £659.68 plus an additional £1250 in sponsorship. This is a fantastic amount of money and will make a huge difference to our school. A huge thank you to our amazing FEMS team for all of the work they do raising money for our school and to everyone who has supported these events.
