A Message from Miss Olver

What a warm week it has been!

I was lucky enough to spend the first half of my week away with the Voyagers on their residential trip.

This is such a rite of passage for our older children. A chance for them to develop their independence and resilience skills in readiness for the transition to secondary school.

My favourite part is watching them when they push themselves further than they thought they could and start to realise what they are really capable of. An important life lesson which will hopefully encourage them to always aim high in the future.

Year 2 Cross Country at Froxfield Primary School

On Friday 13th June, three children from Adventurers Class took part in a Year 2 Cross Country event at Froxfield Primary School.

They did an amazing job, running round a very long track on a very hot day - showing fantastic determination and resilience.

Well done girls!

Thank you to the parents who helped with transport and cheered the girls on.

Voyagers' Residential Trip to Tile Barn

This week, Voyagers Class went on their residential trip to Tile Barn from Monday—Wednesday. Wow—what a great week they had! They demonstrated some fantastic team work, communication and problem solving skills as well as great independence, perseverance and resilience. They should all feel very proud of themselves. A huge thank you to Mrs Sole and Ms Bloor for accompanying the children.

Explorers' Reading with the Village Care Group

On Thursday 19th June, the Village Care Group came to visit our school. Explorers had a lovely time reading their Princess and the Pea pop-up books to them, serving them tea, coffee and biscuits and singing them some songs from their upcoming KS2 production. It was lovely to see the different generations interacting so beautifully together.

Cycling Achievement

You may recall a few weeks back that I sent out an advert for a cycling event being run by Ditcham Park School. One of our Year 2 pupils took part in this event and came in 4th place in a 1.2 mile cycle time trial. She has since joined up to a local cycling team, the Solent Pirates.

Well done!!
