A Message from Miss Olver

Wow—what a hot week it has been! The children have been making the most of the beautiful weather: Discoverers enjoyed planting their peas in the new planter donated by FEMS. Discoverers also made a river and boats to run down it during their forest school session on Tuesday (plus enjoyed using the water to help them cool down!). Year 6 decided to instead harness the solar energy and made solar ovens to cook smores in! Thank you to everyone who provided their children with hats, suncream and water bottles this week so the children could enjoy the hot weather safely.

FEMS Update

On Saturday, our amazing FEMS team ran a food stall at the local cricket event. They sold around 100 sandwiches, 30 children's picnic boxes and lots of cake raising approximately £750 for our school! A huge thank you to the team for all their work on this event and to Zach and Ted for helping out.

This week, we are very excited that a huge donation of LEGO from FEMS has arrived at school. Mrs Smith will be using this to help her run her ELSA and Lego Therapy sessions which will hopefully have a very positive impact on the children she is working with. Thank you FEMS!

MUSIC MARK SCHOOL 2024 - 2025

School Games Mark—Gold Award!

I am very excited to announce that we have been awarded the Gold Level School Games Award this year for the second year running. This mark recognises our commitment to providing children with a quality, inclusive PE curriculum and a broad range of additional PE and sporting opportunities. We have worked closely with our School Games District Co-ordinator, Sara from Perins, this year to increase and further develop our sports offer and it has been great to see so many children getting involved in and enjoying a wide range of sporting activities.

Church Fete—Sunday 6th July

This Sunday is the East Meon Church Fete.

Some members of staff from school will be attending and running some fun sports day style events for the children to take part in. We hope to see lots of you there.

Thank You and Goodbye Mrs Flood

This week we said goodbye to Mrs Flood who has been working at the school in a number of roles over the past few years. She has been a fantastic member of the team—so committed to our school and our children. She left in style though, singing her rap to the children in a goodbye assembly on Monday afternoon!

A huge thank you to Mrs Flood for all she has done for our school. She will be greatly missed and we wish her all the best for the future.

Voyagers Class Police Visit

On Tuesday, Almera Toogood and Darryl Hook from Hampshire Constabulary came and talked to Voyagers Class about anti-social behaviour. They talked to the children about what this is, the legal age for criminal responsibility, the consequences of anti-social behaviour and what to do if you see it. Voyagers listened and engaged well with the talk asking some good questions.
