

18th July 2025

A Message from Miss Olver

I can't quite believe we have finished our final full week and there are just 2 more school days to go before the end of term. This week has been packed full of exciting events as part of our 'Challenge Week'. The children have had so much fun taking part in a range of STEM, arts and craft, outside learning and sport activities. I hope they have been excited to come home and tell you about them all!

Dates for your Diary:

Tues 22nd July 9.30am—Y6 Leavers Service in Church

Wed 23rd July—Summer Holidays Begin!

Wed 3rd September—INSET Day

Thurs 4th September—First Day Back

Sports Day!

Our annual Sports Day took place on Wednesday. In the morning, the children completed a carousel of sports activities based around a range of sport skills earning points in their teams. We enjoyed a picnic lunch with families and friends before the races began in the afternoon. A huge well done to Green Newts who were our winners this year. Thank you to everyone who came and supported us.

East Meon Challenge Week

We have had so much fun completing our challenge week this week. Monday and Tuesday we completed STEM activities (building paper boats to hold glass gems and making animals out of toilet roll) and craft activities (collaging and using a range of resources to create animal images). Wednesday was Sports Day. Thursday was outside learning day (campfires, pond dipping, scavenger hunts, reading outside and outside artwork). Friday finished the week with a variety of sports (Quidditch, hockey and outside adventure/problem solving activities). A huge thank you to all the adults who have helped us this week and given up their time to make it all possible—we

Goodbye and Thank You

Today we said goodbye to Mrs Dean-Hughes who has been teaching Voyagers Class part time since January. She has been a valued member of the team and has supported Year 6 particularly well on their SATs journey. She will be teaching full time at another school from September and we wish her lots of luck.

FEMS Update

A huge thank you to our amazing FEMS team—they have done an amazing job this year and raised so much money for our school. They have contributed to trips, the pantomime, run the Amazon wishlist, donated numerous resources and put on so many fun events. We are incredibly grateful to all of them for all they do for our school.

Thank you to all of you who have supported them this year. A recent update: £70 was raised from refreshments at the Key Stage 2 Production and £200 was raised from refreshments at Sports Day.

ScoPay

Please, please, please... can you check your child's ScoPay accounts for any outstanding payments due. Please make sure these are paid ASAP and before the end of term. This might be for music lessons, school dinners, clubs, breakfast and after-school care or trips.
