

1st March 2024

A Message from Miss Olver

What a busy week it has been at East Meon School: parents evenings, SATs and phonics information meetings, sports events, the FEMS Leap Day and a trip around the village for Discoverers!

Thank you to Mrs Slamaker for the great action shots above which show some Voyagers in their tennis lesson this week. Every Wednesday, Mr Fooks and Mr Murray from Aspire come in to teach PE lessons across the school. This term they are working on tennis and are really enjoying developing their skills.

FEMS Leap Day Event

The children really enjoyed coming into school in their non-school uniform yesterday. Thank you to all of you who supported this and sent in your donations.

Each class carried out a 'Leap' Competition during the day which they really enjoyed. Lots of them had been practising for this at home and at playtime ready to give it their best effort.

We had a prize giving ceremony for the winning girl and boy in each class during our celebration worship today which was very exciting. Thank you to FEMS for donating the lovely trophies and medals for this.

World Book Day—Thursday 7th March

A reminder that next Thursday (7th March) is World Book Day and we will be celebrating this in school. If your child would like to, children can come in dressed as their favourite book character and bring the book in with them to share.

Year 5/6 Sports Hall Athletics Competition

On Friday 23rd February, nine of our Year 5/6 children went to Perins School to take part in a Sports Hall Athletics Competition. They completed a range of activities, including javelin, target throw, long jump, speed bounce and some running races. They all worked incredibly hard as a team and had a great time at the event. Thank you to all of the parents who helped with transport and cheered them along.

Discoverers Walk Around the Village

On Tuesday 27th February, Discoverers Class went for a walk around the village linked to their learning about the local area. They looked at different paths, buildings, the river and the park. In class over the next few weeks, they will be thinking about how the village could be improved and the developments they would like to see. Thank you to Mrs Perkins for organising and Mrs Sims for accompanying them.

Parents Evening

Thank you to everyone who attended our Parents Evenings at school this week. It was lovely to see so many parents and carers there and we hope you found the sessions useful and informative in understanding more about how your child is getting on at school.

FEMS—Mothers Day Shop and Wrap

FEMS have asked me to share that they are running a Mothers Day 'Shop and Wrap' event—see advert to the left for more details.
