

12th September 2025

A Message from Miss Olver

I can't believe we are at the end of our first full week back—it has absolutely flown by!

This week we have really enjoyed having our new Year R children join us. Year 5 and 6 have done amazing jobs being their 'buddies', helping them to settle in, find their way round and play at break times. They will be joining us full time from now on.

Music lessons have started up again and Voyagers Class have started learning how to play the trumpet in their Listen 2 Me lessons.

Mr Fooks and Mr Murray have been back with us on Wednesdays and Thursdays and the children are enjoying this term's sports: tri-golf and dance.

Dates for your Diary:

Tues 23rd Sep 7pm—Smartphone-Free Childhood Parent Meeting at Langrish Primary

Wed 24th Sep 9-9.30am—Voyagers' Residential Parent Information Meeting

Wed 24th Sep 3-3.30pm—YR, 1 and 2 Phonics Parent Information Meeting

Thurs 25th Sep 9-9.30am—YR 1 and 2 Phonics Parent Information Meeting

Fri 26th Sep—FEMS Mufti Day (Bottle Donations)

Fri 3rd Oct—House Team Kindness Day

Fri 3rd Oct—FEMS Cake Sale and AGM After School

Bikeability

On Wednesday 10th and Thursday 11th September, Year 5 completed their Bikeability training. Bikeability is the government's national cycle training programme. It helps children to learn practical skills and how to cycle safely on the road.

The children went out with the instructors over the 2 days, some learning how to ride a bike and others, who were already competent riders, went out into the village learning about safety on the road. They had a great time and enjoyed learning more about cycling safety. Thank you

to Ms Bloor and Mrs Poulton for helping the children with this training.

Smartphone Parent Information Talk

On Tuesday 23rd September at 7pm at Langrish, there will be an information meeting for parents around smartphones. The talk will be run by an expert from the Smartphone Free Childhood group. Schools from across our Small Schools Group will be attending.

As a group of headteachers, we all feel passionately about

keeping our children safe and believe that they should not be exposed to smartphones until they are old enough. We hope this meeting will be really informative and useful for you as parents and hope many of you will be able to attend.

Parent Information Meetings

Just a reminder about our upcoming parent information meetings. We really hope these will be interesting and useful for you and there will be opportunities to ask any questions you may have at these meetings.

Wednesday 24th September 9-9.30am—Residential Information Meeting for Years 5 and 6.

Wednesday 24th September 3-3.30pm and Thursday 25th September 9-9.30am—Phonics Information Meetings for Years R, 1 and 2.

Parking

This is a reminder to please make sure you are parking safely when dropping off and picking up your children.

Please park at the Village Hall or Recreation Ground car parks. There is plenty of parking at these two sites and then it is only a short, safe walk to our school through the back entrance.

At the front of the school, please remember that it is **illegal** to park on the yellow zigzag lines. Cars parked here make it really difficult for everyone to see coming out of the school. Please also make sure you leave enough room for tractors and emergency vehicles to pass through.

At the back of the school, please avoid parking in the residential closes. Recent parking choices have made it impossible for ambulances and other emergency vehicles to access the residents there.

School Dinner Payments

Please can you make sure that school lunches are paid for in advance on ScoPay. This helps us to make sure all of our accounts are up-to-date.

Free School Meals

Hopefully you saw my email recently regarding Free School Meals. Families who are signed up for Free School Meals can receive help with paying for trips, uniform and clubs. Additionally we receive extra funding for these pupils to help them with their learning in class.

If you are not sure whether you are eligible, please go to:
