

28th November 2025

### A Message from Miss Olver

Another week has flown by in school. There has been a lot of music in school this week, with Discoverers and Adventurers busy learning the songs for their Nativity and Voyagers rehearsing ready for their Listen 2 Me trumpet concert in December.

As you may be aware, we have been working hard to develop our teaching and learning in Maths using the Mastering Number approach. Every class is doing a daily additional short session to build number fluency and fact recall. This week, Discoverers were exploring the part-whole model and made fruit kebabs to help them understand that the individual pieces of fruit make up part of the whole kebab, just like numbers which can be made up of smaller numbers.

### Dates for your Diary:

Fri 5th Dec—FEMS Christmas Shop and Wrap

Tues 9th Dec 3.15-4.30pm—Choir at Village Hall Event

Thurs 11th Dec 9.30am—KS1 Nativity at Church

Sun 14th Dec—FEMS Christmas Fayre

Thurs 18th Dec—Christmas Lunch

Fri 19th Dec 9.30am—Christmas Service in Church

Sat 20th Dec 7pm—Choir Singing at Village Carol Event

### Forest School

Year 4 are half way through their Forest School sessions for this half term. This week they have enjoyed finding ways to get up off the ground. They created their own obstacle course through the trees and practised fire lighting skills. A big well done to one Year 4 pupil who showed amazing resilience and perseverance as she helped Mrs Perkins to saw through a tree trunk which was making the area unsafe.

2024 - 2025

## FEMS Update

We are very excited that FEMS have organised for another whole-school pantomime to take place next Wednesday (3rd December). This will take place in the school hall during the afternoon. It will be a version of Beauty and the Beast put on by a theatre company called West End in Schools. I am sure the children will be very excited to tell you all about it when they get home!

FEMS have asked me to share a few posters with you about their upcoming events.

## ScoPay Payments

Please can everyone check their child's ScoPay account to make sure that all outstanding payments are made. This includes payments for lunches, sports clubs, music lessons, breakfast club, after-school care and trips. This helps us to make sure all of our budget work is up-to-date and accurate.

## Meet the Governors!

Each week, we will be sharing some information with you about one of our amazing school governors.

This week, our governor is Steph Perkins.

I have been a teacher for over 20 years and came to East Meon 13 years ago. In that time, I have taught across all the classes but predominantly within the lower end of the school. I became the staff governor when I returned to teaching part-time after the birth of my first child. I enjoy representing the staff views on the governor board and getting to share in championing the vision and strategic direction of the school. Since taking on this role, I now have the pleasure of appreciating the school from a variety of angles as both my children also attend the school. I love what East Meon offers in terms of a small friendly school where every child is known and appreciated for their own special talents and it will always be a special place for me.
