### A Message from Miss Olver

It's been a bit of a wet week in school this week but the children have managed to get outside almost everyday! They are having lots more fun at break and lunchtimes now with the introduction of the new sports equipment. There has been a lot of skipping, tennis and vortex throwing!

Thank you to everyone who has sent back their signed home-school agreement. If yours has not made it back to school yet, please could you return it to the school office next week. We have sent home spare copies today.

### House Team World Religion Event

On Friday 16th January, the school worked in their house teams for the afternoon to learn all about different religions across the world. Each house learnt about a different religion, reading stories linked to their beliefs and completing a range of art and craft activities to help develop their understanding. In assembly, each house fed back to the rest of the school sharing information they had learnt.

## FEMS Update

FEMS have organised another non-uniform day for next Friday 30th January and are asking for donations of sweets for their East Meon Regatta event in May.

FEMS have kindly purchased all items which were outstanding on our Amazon wishlist. This is a large number of items which will help all of our pupils. A huge thank you to the FEMS team for their continued hard work and support for our school.

## Year 5/6 Sports Hall Athletics

On Wednesday 21st January, seven of our children from Voyagers Class attended a Sports Hall Athletics competition at Perins School. They had to complete five different activities: speed bounce, long jump, javelin throw, chest throw and a beanbag target activity before running a number of individual and relay races. They worked brilliantly as a team, cheering each other on and trying their best. Thank you to all the family members who helped with transport and to the Year 2 sibling who helped with the relay.

## Forest School

This week Year 1 have been thinking about birds as it is the 'Big Bird Watch' this week. They listened to the birds they could hear and identified blue tits, jackdaws, goldfinches and a collared dove! They talked about their different calls and what they need at this time of year. They then made apple bird feeders for them using square lashing, a corer and some sunflower seeds.
