At East Meon School, we will endeavour to:

• Make sure that our school is a safe place for pupils to attend with effective safeguarding procedures in place.

• Provide pupils with high-quality lessons and an engaging curriculum.

• Adapt learning to meet the needs of all learners, in so far as our resources reasonably allow.

• Support pupils to succeed in all of their learning.

• Provide parents' evenings, information meetings and reports to share key information with families.

• Set high expectations for behaviour, teaching good behaviour, rewarding positive choices and supporting pupils to reflect and improve poor choices.

• Promote high levels of attendance and punctuality, welcoming pupils as they arrive at school and supporting families where attendance is an issue.

• Put appropriate filters and monitoring in place to keep children safe whilst using ICT and teach children how to keep safe online.

As parents/carers, we will endeavour to:

• Encourage our child to work hard at school and support them with home learning, including daily reading for all pupils and times tables practice for children in Year 2 onwards.

• Share any concerns about our child's learning or wellbeing with the relevant member of staff.

• Attend parents' evenings to discuss our child's learning and wellbeing.

• Encourage our child to make good behaviour choices at school, supporting and reinforcing the messages given at school.

• Do our best to ensure our child attends school every day and is on time each morning.

• Make sure our child is dressed appropriately for school, as per the school uniform policy.

• Inform the school of any absence in a timely manner. Whenever possible, inform the school office by 9.30am.

• Use appropriate parental controls and monitor our child's use of ICT at home to ensure they are safe and only accessing appropriate content.

As a pupil at East Meon, I will endeavour to: • I work hard at school, trying my best in all lessons.

• Listen to my teacher's instructions and use their feedback to help me improve.

• Embrace the opportunities on offer to me at school.

• I try my best to make good behaviour choices at school, allowing those around me to focus on their learning, and always be kind.

• Care for and respect myself, my school and my wider community.

• Share with an adult anytime I am upset, unwell, unhappy or worried.

• Help with getting ready in the morning so I can arrive at school on time.

• Take pride in my appearance and dress appropriately for school.

• Use computers and iPads safely at school, only accessing appropriate websites and using technology to help me with my learning.

Our School Vision:

At East Meon Church of England Primary School, we foster a love of learning through our rich, interesting and vibrant curriculum. We have high expectations for all our children throughout their learning journey. Our holistic approach supports them in our inclusive setting where children are loved and nurtured.

Our Christian Values:

At East Meon, our core Christian values of love, courage and hope underpin all that we do.

We believe that love is showing kindness and respect towards ourselves, others and the world around us.

We believe that courage is making the right choice even when It is hard.

We believe that hope is more than a wish - we have the power to turn it into a reality.
